(7) A Branch Dispensary may be opened out of Provincial Funds at Tavarekere, which is situated in the middle of the hilly and forest tract comprising Ubrani and Sivani hoblis wherein malaria prevails, as the nearest dispensary is at a distance of 15 miles from this tract.

(8) Musafirkhanas may be constructed at Jammapura and Medagondanahalli as travellers passing from Channagiri to Ubrani depot and Ajjampur have no convenient halting places on the route.

(9) The building for the Local Fund Dispensary at Nyamti may be constructed early, as much inconvenience is felt for want of a suitable building and the present building contains no room for carrying on surgical operations.

(10) Roads from Issur to Ambligolla and from Sankre Siddapanakanve to Issur *via* Tarlighatta may be kindly ordered to be laid out as Issur is a very big village of much traffic.

(11) That Ulvi-Kadasur road may be entrusted to the Public Works Department as the repairs now executed annually by the Revenue Department are not sufficient to keep it in a trafficable condition.

(12) The railings on both sides of the bridge over the Dandavati river at Sorab may be ordered to be fixed, as the ground level on either side of the bridge is very low and accidents are liable to happen.

(13) That a good road may be constructed between Chikkerur in the Dharwar District and Banavasi in the North Canara District as the existing cart-tract is largely used for grain traffic by the people of Anavatti and Kuppagodde hoblis.

(14) A Local Fund Dispensary at Anavatti may be established and a midwife also posted to this place, as this is a populous place far off from Sorab and Siralkoppa and is situated close to Jade and Kuppagodde hoblis.

(15) A musafirkhana at Anavatti may be established as no suitable accommodation for travellers exists here.

(16) A bridge may be constructed over the Dandavati river on the Tavanandi-Anavatti high road, as much inconvenience to traffic is caused in the rainy season.

(17) A Local Fund Dispensary may be established at Yedur as it is far away from Tirthahalli and from Nagar.

(18) That arrangements may be made for repairs of the bund and removing the silt from the tank at Kallurkatte, as much inconvenience is caused for want of water for the daily needs of men and cattle.

(19) That the village roads constructed from Tirthahalli to Kavaledroog and from Ulvadi to Ayanur *via* Hanagere may be taken over under Government management.

The next meeting of the Board will be held on the 15th December 1911.
